A President's Message

Favorite Lines of Fathers

I'm not just talking to hear my own voice!

Don't forget to check your oil.

You could drive a wooden man nuts!

You're gonna like it, whether you like it or not!

The early bird gets the worm. Rise and shine!

If your friend jumped off a bridge would you?

You have things so easy!

Don't look at me in that tone of voice!

What do you think this is, your birthday?

What part of NO don't you understand?

I don't care what other people are doing! I'm not everybody else's father

Two wrongs do not make a right.

Don't use that tone with me!

Am I talking to a brick wall?

If I catch you doing that one more time, I'll.....

Enough is enough!

Don't make me stop the car!

What did I just get finished telling you?

My father used to tell me....

Who said life was supposed to be fair?

If you forget, you'll be grounded till the end of the world.

You'll realize the value of money once you start earning it.

Turn off those lights, do you think I'm made of money?

Go ask your mother!

Happy Father's Day

Assessments

If you are asked to please provide a phone number on your assessment card, please do. If we do not have a phone number for you on file, we will not be able to contact you in case of an emergency.

Liberty Park Website

We are in the process of designing a website for the Liberty Park Subdivision. On this website, we plan on providing important information that can be accessed 24/7 along with upcoming events, history of Liberty Park and many more exciting things. If you have a suggestion for the website, please feel free to email us at LPHOACommunity.org.

Summer Safety

It's that time of year where children will be out of school for the summer. Please remember to slow down while driving in the subdivision and surrounding areas. Along with the warmth of summer comes the ice cream trucks bringing treats so please keep an eye out for children going to and from the trucks.

Pool Safety

As the summer weather starts to get warmer, many people will be enjoying the pools. There are some pool safety tips to remember, never leave children alone in or near the pool, even for a moment. Make sure adults watching children in the pool know CPR in case it's needed. Surround your pool, on all four sides, with a sturdy 5 foot fence and make sure the gates self-close and self-latch at a height children can't reach. Keep rescue equipment (a long pole with a hook on the end and a life preserver) and a telephone near the pool. Have a safe, happy summer!!

Sympathy

Deepest sympathy to the Michael & Karyl Royster of Liberty Blvd. on the passing of Karyl's mother.

Flag Day

Inspired by three decades of state and local celebrations, Flag Day – the anniversary of the Flag Resolution of 1777, was officially established by the Proclamation of President Woodrow Wilson on May 30, 1916. While Flag Day was celebrated in communities for years after Wilson's proclamation, it was not until August 3, 1949 that President Truman signed an Act of Congress designating June 14th of each year as National Flag Day. Flag Day is not an official federal holiday. For more history of Flag Day, please visit www.usflag.org.

Congratulations!

Congrats to the 2015 graduates!

"That diploma you hold in your hands today is really just your learner's permit for the rest of the drive through life. Remember, you don't have to be smarter than the next person, all you have to do is be willing to work harder than the next person." By Jimmy Iovine
