## Liberty Park Homeowners Bulletin

---

VOLUME 49

FEBRUARY 2016

NO. 2

---

### President's Message

Join us for the next LPHOA meeting on Thursday, February 4<sup>th</sup> at 7:00 p.m. at the Community Building located at 4100 N. Washington Street. The North Westmont Fire Protection District will have a representative there to give us an update on the dissolution of the district. If you can't make the meeting but you have question, please use the contact form on our website at [www.LibertyParkCommunity.org](http://www.LibertyParkCommunity.org) and send us your question and we will ask it for you.

Where has the time gone? It's hard to believe a year has already passed since I started my term as President. One of my goals that I had was for Liberty Park Homeowners Association to host more community events. Since taking office, LPHOA has hosted 2 events in 2015 which were the Pumpkin Painting and Santa's Workshop. Both events were very successful, the kids had a great time and it was wonderful to meet residents in the community that I had never met before. The pictures from these events have been posted on our photos page of our website so check them out if you get a chance. With the success of the 2015 events, there has been discussion of events for 2016. Several ideas have been tossed around such as a movie night, a community picnic in the park and an ice cream social so keep an eye out in the newsletter, our website or Facebook page as planning gets under way. If you have an idea for a community event or would like to volunteer for an event, please visit our website and fill out the contact or volunteer form.

Chris Hohe  
President
